CARNET

Cooperative Automotive Research Network

Round Table I: Connectivity and 5G

Schedule: 10:35H-11:30H

November 12th, Barcelona

Speakers

CARNET
Cooperative Automotive Research Network

Prof. Javier Manuel Gozálvez
Director of UWICORE, Signal Theory and Communications Research Group.
Miguel Hernández University

Prof. Josep Paradells
Dept. of Network Engineering, WNG-Wireless Network Research Group, UPC BarcelonaTech.

Director of i2cat.

Prof. Alfredo García
School of Civil Engineering. Director of Transport Infrastructure and Engineering Department.
Universitat Politècnica de Valencia, UPV.

Questions

CARNET
Cooperative Automotive Research Network

- Which user/vehicle/infrastructure relationships would need higher data & connectivity requirements?

- How the role of stakeholders is going to change in the new mobility management paradigm?
